USDAW IS THE RECOGNISED TRADE UNION

FOR MORRISONS WORKERS

Usdaw works to ensure that your workplace is a safe place to work, where all employees are treated equally and where the work you do is valued and rewarded fairly.

Many of your colleagues at Morrisons have already joined Usdaw. By joining the Union you will add your voice to those of over 45,000 Usdaw members in Morrisons stores, distribution centres and food manufacturing sites.
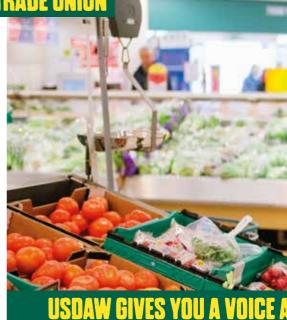

With Usdaw reps right across the business, Usdaw gives you a voice at work and you have a say over your pay and other terms and conditions.

USDAW GIVES YOU A VOICE A

BETTER PAY AND CONDITIONS

Usdaw negotiates pay on behalf of our members in all parts of the Morrisons business including retail, distribution and food manufacturing. Usdaw members have a say by raising items for the annual pay reviews and voting in pay ballots. A strong and growing membership is having a bigger say in pay negotiations.

WORKING HOURS

Many workers are having issues with the hours they work, either struggling to get the hours they need or working extra hours regularly without having contracts to reflect these additional hours. Usdaw can support members who need advice on working hours and contractual issues.

FAIRNESS AT WORK

Through our relationship with Morrisons, Usdaw has been able to secure better deals for members on issues such as flexible working arrangements and general support for family and caring responsibilities.
