TUC Hazards at Work Manual

Order your copy now!

Hazards at Work is the definitive guide to health and safety at work for trade union health and safety reps. The 2020 edition is an A4 size, 374-page book which takes account of the latest changes to health and safety law and guidance from the Health and Safety Executive.

As in previous editions, the core of the book is the 40-chapter section on the common hazards and causes of ill-health at work including references where appropriate to Covid-19, and how to assess and prevent them, with a section on workers in special categories, such as young workers, casual workers, agency workers and disabled workers. The book also contains HSE and other guidance, extensive checklists, case studies and web resources.

Single copies direct from the TUC will cost union safety reps £22. Usdaw has secured a bulk purchase discount. Usdaw Health and Safety Reps can order copies from Usdaw Stationery Department at a reduced price of £14 plus £2 p+p (£16 in total).
